

I-84 WIDENING

KARCHER TO NORTHSIDE

Widening of I-84 from the Karcher Interchange to the Northside Boulevard Interchange will begin in late spring/early summer 2019. Improvements include:

- > Widening I-84 to three lanes in each direction.
- > Adding auxiliary lanes between interchanges.

NORTHSIDE TO FRANKLIN

The I-84, Northside to Franklin project will begin in summer 2019 and will conclude in late 2020. Improvements include:

- > Replacing the interchange at Northside Boulevard with a Single Point Urban Interchange.
- > Replacing and widening the railroad/irrigation canal bridges and the Mason Creek Structure.
- > Widening I-84 to three lanes in each direction.
- > Adding auxiliary lanes between interchanges.
