IDAHO 55 MARSING CONSTRUCTION UPDATE

The Idaho Transportation Department (ITD) is rebuilding the Snake River Bridge in Marsing and Idaho 55 between Marsing and the U.S. 95 Junction.

If you have questions or comments, please respond to this email or visit our website.

Para más información y para recibir una hoja de información, por favor llame 208-334-8152.

What to expect the week of February 11-15, 2019

- ITD continues work on the south south side of Idaho 55 from 14th Ave to 4th Ave in Marsing. The temporary widening and paving is in preparation for the re-build of Idaho 55.
  - Pedestrians are encouraged to use the north side of Idaho 55.

- Night time work will occur on two consecutive nights mid-week at the intersection of Idaho 55 and Idaho 78 while crews install irrigation line. The work will be noisy. Flaggers will direct traffic.

- Crews will place a temporary signal at Riverfront Dr. on Monday, Feb. 11. The signal at Riverfront Dr. will remain in place throughout the duration of the roadway and bridge work.
  - ITD requests that community members avoid Marsing Island Park on Monday, Feb. 11, if at all possible, due to the placing of the temporary traffic control signal.

What to expect:

- Traffic will at times be reduced to one lane where crews are working. Expect delays of up to 15 minutes.

- Driveway access will remain open with brief delays.

- Work will occur during daytime hours.
