

# I-84 USTICK ROAD OVERPASS CLOSED for 15 MONTHS

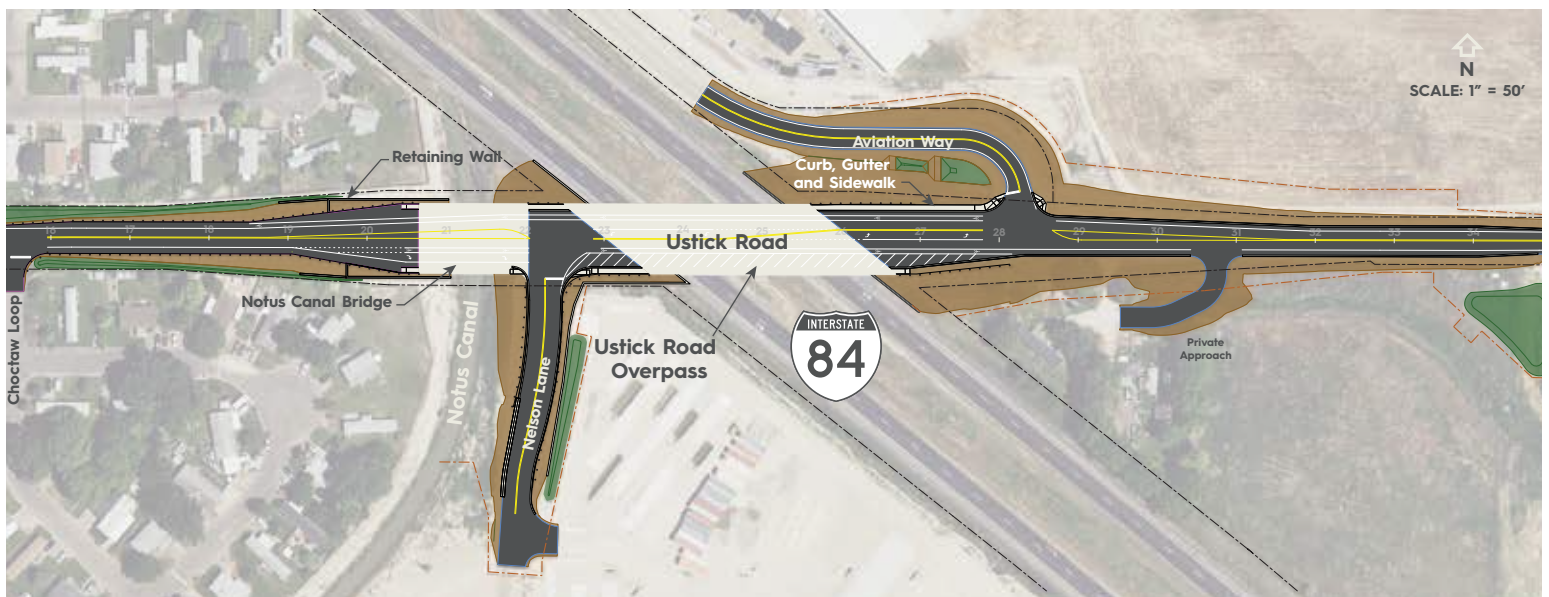

Late May 2021 – Summer 2022

The Idaho Transportation Department is making improvements to Interstate 84 in Caldwell. The improvements are expected to improve safety, address congestion and benefit the regional economy for years.

As part of that project, ITD is replacing the Ustick Road Overpass. Replacing the overpass will allow additional lanes to be built on I-84. Construction on the overpass will begin in May 2021 and completed in Summer 2022.

## IMPROVEMENTS INCLUDE:

- Five lanes across the bridge, two lanes in each direction with a center turn lane.
- A new bridge over the Notus Canal.
- Sidewalks and bicycle lanes on both sides of the bridge.

MAY 2021

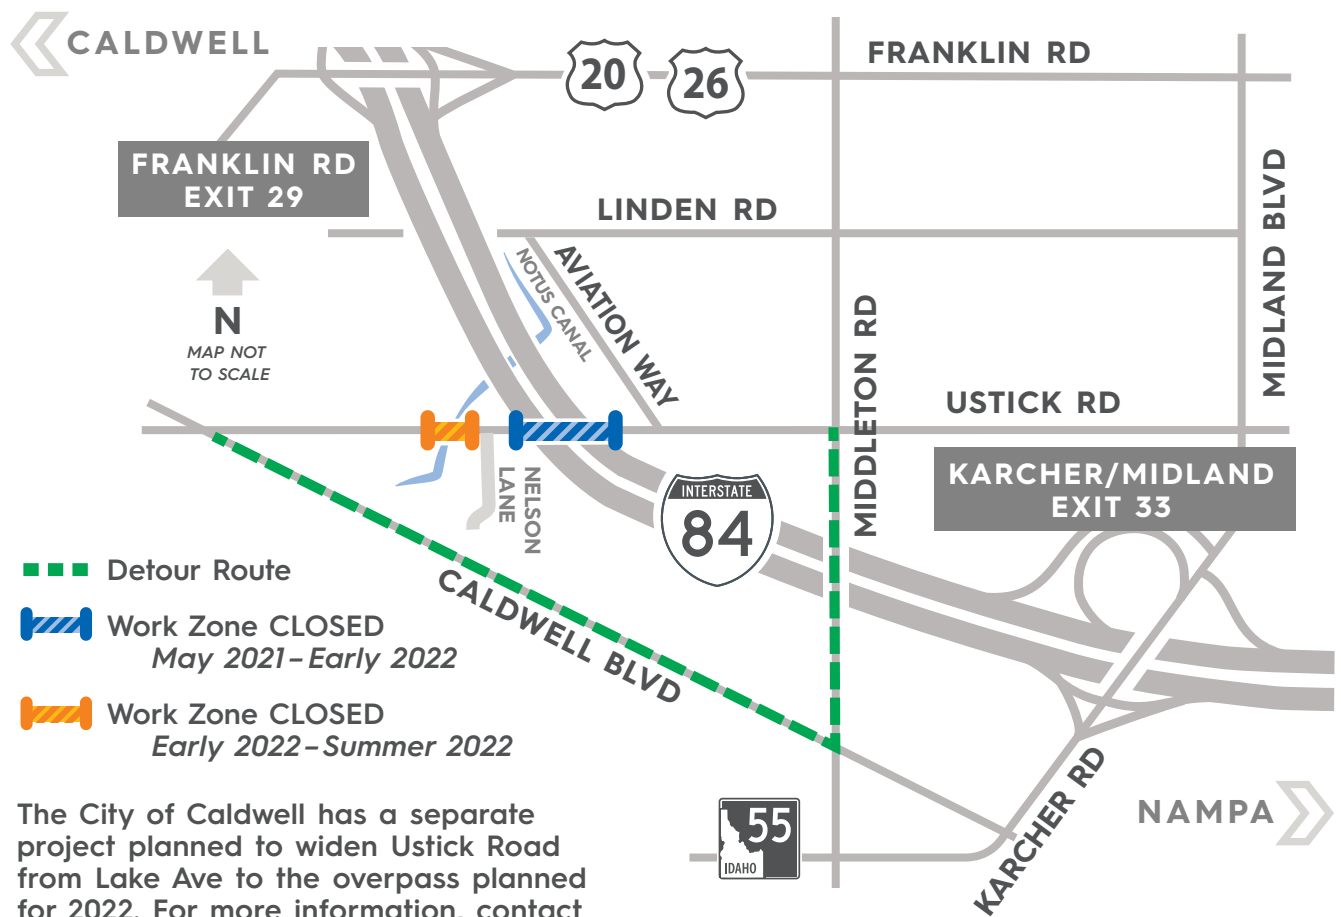

# I-84 USTICK ROAD OVERPASS

ITD will close Ustick Overpass and Notus Canal Bridge for 15 months beginning May 2021. ITD will detour motorists around the construction.

## WHAT TO EXPECT DURING CONSTRUCTION:

- The overpass will be closed and a detour will be in place.
- Business access will remain open during normal business hours.
- Work may be noisy at night.
- Occasional I-84 detours will occur for bridge demolition and girder placement.
- Aviation Way will be closed approximately 3-4 months during construction.
- Construction work may cause dust and debris.
