Welcome — Today’s meeting

The Idaho Transportation Department and the City of New Meadows are working together to improve US-95 in New Meadows and replace the city’s water main. Construction will begin in early June and be completed by late summer.

At tonight’s meeting ITD will share with you:

- What to expect during construction
- Contact information for the city water service
- How to stay informed
- Information about ITD’s Weiser River Bridge project
The US-95, South End Road to Junction Idaho 55 project will result in a smoother, safer road surface and a new water main for the City of New Meadows.

This project includes:

- Replacing the old road base and pavement on US-95 between End Road and Idaho 55.
- Replacing the city water main, located under the road.
- Keeping street parking and the existing number of lanes.
Construction sequence and schedule

Construction will begin in early June and is expected to be completed by the end of the summer.

- Construction will be completed in 1–2 block sections.
- The southbound lanes of US-95 will be reconstructed first.
- The northbound lanes will be reconstructed once the southbound lanes are complete.

Crews will start at End Road and work east to the junction of Idaho 55.

The southbound lanes of US-95 will be reconstructed first.
What to expect

- All lanes of US-95 will be open on the weekend.

- Work hours are:
  7 a.m. — 7 p.m. Monday – Thursday and
  7 a.m. — 12 p.m. on Friday.

- Business access will be open throughout construction.

- Construction will be completed in 1–2 block sections. While each block is under construction:
  - Pedestrian detours will be in place.
  - All traffic will share one side of US-95 (either northbound or southbound) while crews work on the other side.
  - Motorists will drive on a gravel road surface.
  - On-street parking will be limited in the work area.
  - Work may be noisy and dusty.
City water customers

This project includes replacing the water main under the road.

- City water service may be interrupted during this project.
- You will be notified of scheduled interruptions in advance.
- If you have questions about city water service, please contact New Meadows City Hall at (208) 347-2171.
How to stay informed

Thank you for attending tonight’s open house.
