

I-84/ID-50, Kimberly Interchange Project

Public Open House

Oct. 15, 2019 | 5 p.m. – 7 p.m.

Rock Creek Fire Department
1559 Main St. North, Kimberly, ID

The Idaho Transportation Department (ITD) invites you to attend an open house to learn more about plans to redesign the I-84 Kimberly Interchange (Exit 182).

The interchange is a key agricultural and industrial route for accessing the Magic Valley along Idaho Highway 50. As the area grows and more commercial and residential development occurs, the interchange will become even more critical to the safe movement of people and goods.

The meeting will be held in an open house format. Please stop by anytime between 5 p.m. and 7 p.m.
