

Rocky Point WILDLIFE CROSSING

You are invited

COMMUNITY WORKING GROUP #1

Idaho Transportation Department (ITD) and the Idaho Department of Fish and Game (IDFG) are working together to design wildlife crossing improvements for U.S. Highway 30 at Rocky Point.

In response to high rates of wildlife-vehicle collisions, ITD and IDFG are collaborating to make this stretch of highway safer for motorists and wildlife alike.

You are invited to learn about the project and provide input about issues, concerns, and suggested solutions.
