

NORTHSIDE BOULEVARD INTERCHANGE

Construction on Northside Boulevard will begin in summer 2020 as crews demolish the outside lanes of the Northside bridge. Construction will continue until early 2021. ITD will close the eastside of Northside Boulevard to allow construction crews to begin working on improvements.

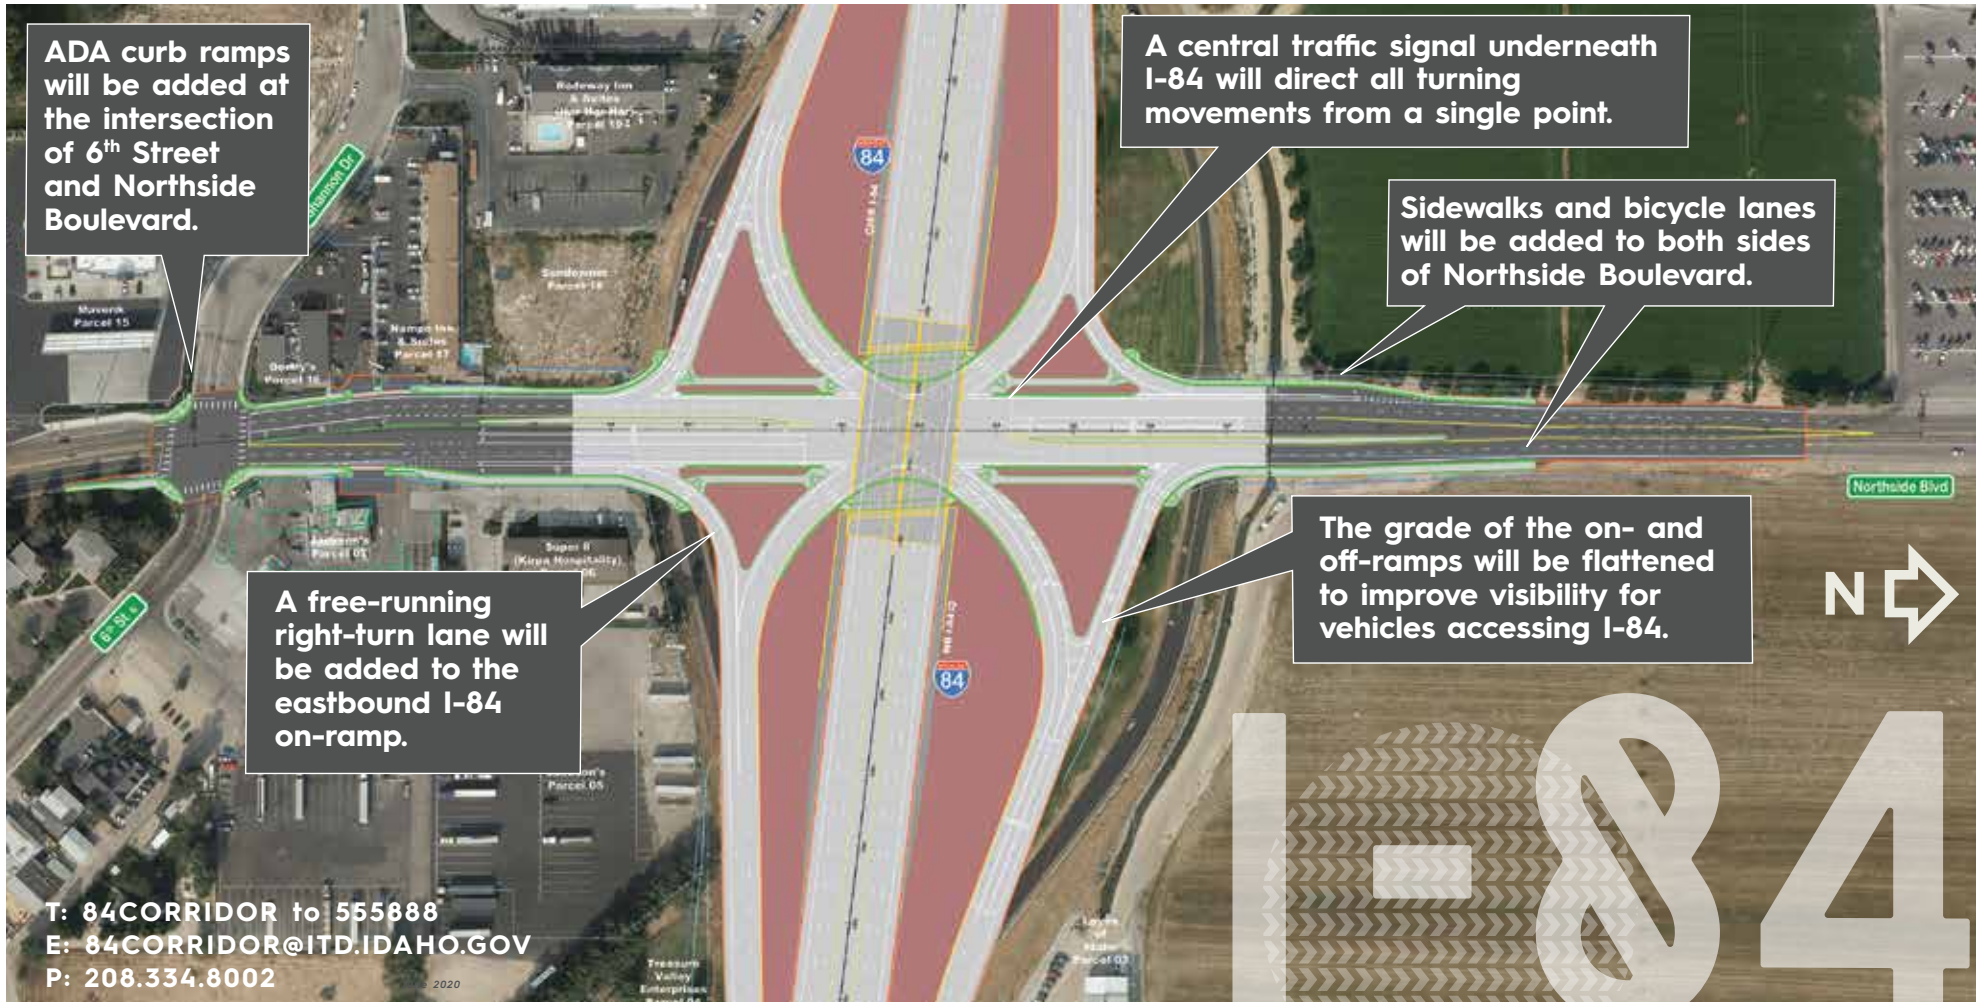

WHAT TO EXPECT DURING CONSTRUCTION:

- > Northside Boulevard will be open during the day.
- > Traffic will be shifted to the west side of Northside Boulevard to allow crews to begin constructing improvements.
- > Temporary traffic signals will be in place at the on and off-ramps of the interchange.
- > Northside Boulevard will be closed for several nights in 2020 for bridge demolition and girder placement.
- > Nighttime closures will be scheduled at the intersection of Northside Boulevard and 6th Street/Shannon Drive.
