

MIDDLETON ROAD OVERPASS

CLOSED for 9 MONTHS

MID-AUGUST 2020 – MAY 2021

The Idaho Transportation Department is making improvements to Interstate 84 in Nampa. The improvements are expected to improve safety, address congestion and benefit the regional economy for years.

As part of that project, ITD is replacing the Middleton Road Overpass. Replacing the overpass will allow additional lanes to be built on I-84. Construction on the overpass will begin in August 2020 and completed in May 2021.

IMPROVEMENTS INCLUDE:

- > One lane in each direction on the overpass.
- > Wider shoulders on both sides to accommodate bicycles.
- > Sidewalk on the east side of the bridge.
- > 17' vertical clearance on I-84.
- > A traffic signal at the intersection of Cherry Lane and Middleton Road.

SCHEDULE AND FUTURE PLANS

| | |
|-------------------------------|--|
| August 2020 | Middleton Overpass Construction begins. Bridge will be closed for nine months |
| Early 2021 | I-84 Widening in Nampa complete |
| May 2021 | Middleton Overpass Construction complete (see reverse for construction info) |
| Summer 2021 | Ustick Overpass Construction begins |
| Late Spring/Early Summer 2021 | I-84 Widening between Nampa and Caldwell begins. |

Middleton Overpass was built in the 1960s.

MIDDLETON ROAD OVERPASS

ITD will close Middleton Overpass for nine months beginning August 2020. ITD will detour motorists around the construction.

WHAT TO EXPECT DURING CONSTRUCTION:

- The overpass will be closed and a detour will be in place.
- Business access on either side of the bridge will remain accessible during normal business hours.
- Work may be noisy at night due to backup alarms and large equipment.
- Occasional I-84 detours will occur for bridge demolition and girder placement.
- Cherry Lane will be closed approximately 3–4 months during construction.
- Construction work may cause dust and debris.

AUG 2020
